

IN THE CLAIM

Please cancel Claim 1, without prejudice or disclaimer of the subject matter thereof, and add new claim 2. The added new claim 2 is based on the original claim 1 and the disclosure in Fig. 1 of the present invention. Thereby, it is assured that the new claims are based on the original disclosure and thus no new matter is added. The relations of the new claim with respect to the original claims and Fig. 1 are shown in the following Remark by which Examiner can understand the structure of new claims with respect to the original claims clearly.

LIST OF CLAIMS:

Claim 1. (Cancelled)

Claim 2. (New) A sleeve with a non-round connecting portion comprising:

a sleeve body having a receiving portion at one end thereof and a combining portion nother end thereof;

the receiving portion having an hexagonal inner hole and a round outer wall; and

the combining portion having a rectangular inner hole which is communicated to the hexagonal inner hole of the receiving portion; the rectangular inner hole having four inner walls; and the combing portion having four outer walls; two opposite walls of the four outer walls being symmetrical to a center of the rectangular inner hole so as to match a size of a first spanner and the other two opposite walls of the four outer walls being symmetrical to the center of the rectangular inner hole so as to match another size of a second spanner; connecting portion having four sides; each two opposite sides are symmetrical; normal lines of the outer walls of the combining portion being approximately vertical to a center axis of the rectangular hole inner hole.
